## Glorious News

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters have cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows that thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by W. A. D'Alemberte, Druggist, Guaranteed.

## "Cape May" at Eugene Arborea's.

Woman's Body Discovered. TAMPA, Fla., March 5.—While hunting rabbits near Palmetto Beach a boy made a ghastly find of the corpse of a woman. He reported the matter to Sheriff Spencer, who promptly went to investigate. In the big marsh near Palmetto Beach lay the body almost covered with water. It was in such a state that it was impossible to tell the nationality of the woman or the cause of death. When touched the clothing and body came to pieces so that nothing could be done with it. The officers are doing all they can to make out something about the mystery.

## N. W. Oil Mill.

MONTGOMERY, Ala., March 5.—Montgomery is to have a new 50-ton cotton seed oil mill. The project has been launched by Dr. H. C. Tennille and Mr. J. S. Stanton, both of this city. The former is the pioneer of the oil mill and fertilizer business at Troy and the latter has for years been conspicuous in the management of the Alabama Cotton Oil company here. The new concern will have an abundance of capital, energy and experience behind it.

## Socialists Expelled.

NEW YORK, March 5.—The Central Federation Labor union has adopted resolutions expelling members of the Socialist Trade and Labor alliance from the federation union. The expelled members belong to the DeLeon branch of the socialist labor party.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as his child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Hannah Bros., 21 South Palafox street.

## Shipping A-stucky Arms.

FRANKFORT, Ky., March 5.—The shipment of guns and ammunition to London continued today. A carload of small arms and other equipment was shipped this morning. The Gatling guns and other arms to be used by the soldiers on the statehouse square are still here. Republican Governor Taylor left for Butler county this morning to attend the funeral of his brother, Alonzo Taylor.

## Max O'Rell Sick.

MEMPHIS, March 5.—Paul Blouet (Max O'Rell), who lectures here tonight, has been attacked by catarrh of the stomach. He will close his tour in the course of two weeks and go to Paris for treatment.

## The Appetite of a Goat.

Is envied by all poor dyspeptics whose stomach and liver are out of order. All such should know that Dr. King's New Life Pills, the wonderful Stomach and Liver Remedy, gives a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and great energy.
